

Spring 2015 | Engendering Justice

Kingdom Resources for Christ Annual Retreat

Jesus elevates women. Paul champions equality. If society insists on gender justice, should we demand anything less in the church? What does God say about women and men in partnership in ministry and in marriage? Let's study the Scriptures together, examining in depth passages such as 1 Timothy 2, 1 Corinthians 11 and Ephesians 5. Then draw your own conclusions.
